

Dated: March 16, 2017

**Notification for all GBI (Wind) Claimants**

As per notification dated June 3, 2016 issued by IREDA, the projects registered under Wind GBI scheme were required to confirm the installation of ABT meter at pooling station. In this connection, all the GBI (Wind) claimants may kindly note the following:

- Those who have neither confirmed nor furnished undertaking are requested to confirm the installation of ABT meter as early as possible along with supporting documents.
- Those who had furnished undertaking for installation of ABT meter within six months, are hereby requested to confirm the installation of ABT meter as early as possible along with supporting documents.
- Those who have already confirmed installation of ABT meter may ignore this notification.

**Kindly note that in the absence of confirmation, IREDA shall not process their claim for GBI and also there shall be no release of fund to such project.**

This is as per MNRE requirement and accordingly IREDA has to ensure the same.
