

**Date: June3,2016**

**Notification for all Wind GBI Claimants**

Please note that to enable release of GBI claims ready for disbursal, all Wind GBI developers are requested to confirm that suitable ABT meters have been installed at the pooling station to enable forecasting and scheduling of wind power. In case it is not installed, please submit an Undertaking that ABT meters will be installed within a period of Six months.

This is as per MNRE sanction received by IREDA and accordingly IREDA has to ensure the same.
